## ➤ Exponential growth of Pharmaceutical Industry

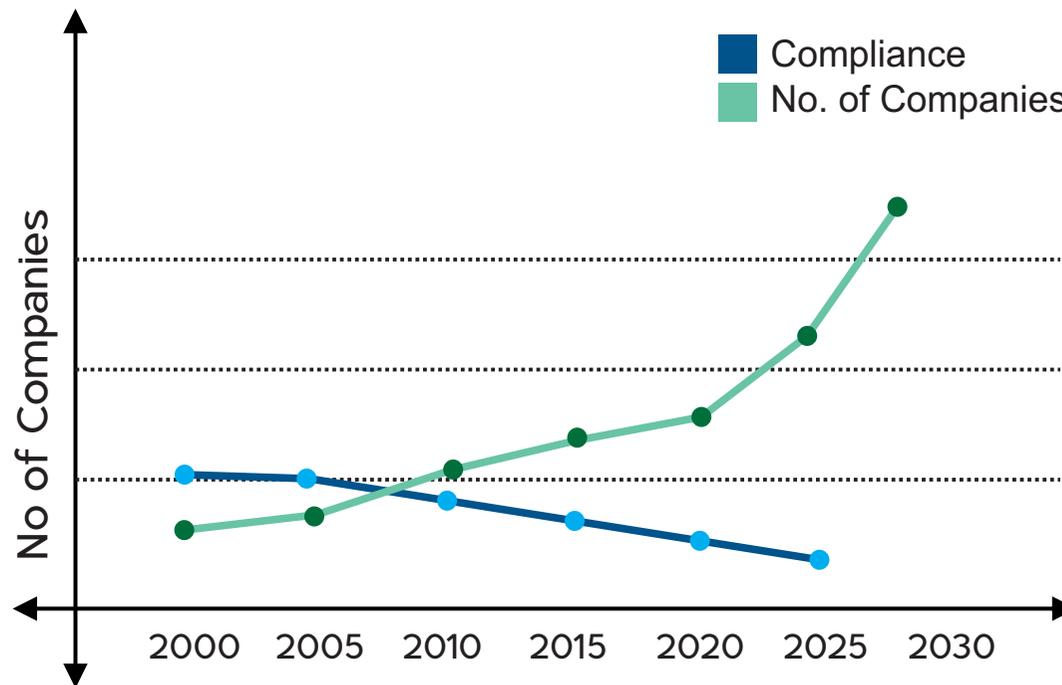

Thanks To Your  
Rx Support

An initiative by  ZppI Zaria Pharmaceuticals Pvt. Ltd.

➤ However this rapid growth resulted in complexity in your day to day functioning

➤ Company's Multi Divisionalisation & surge of new companies having similar or me too products .

➤ Either to meet every Pharma representative which hampers your patient care priority.

➤ Restrict access to representatives, widely chosen option now a days

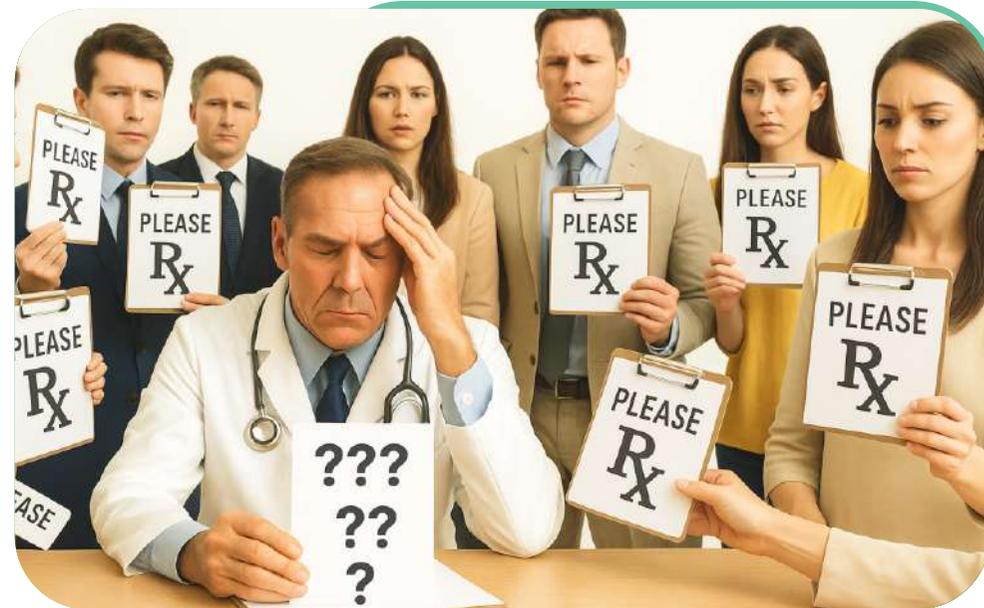

➤ Traditionally and essentially the bond between Pharmaceutical Industry & Doctors was built on sharing scientific information .

➤ *But today, with direct and easy access to **Information online and conferences**, this dynamics has shifted*

➤ Pharma representation has gone from  
“**WHY TO PRESCRIBE**” to merely  
“**PLEASE PRESCRIBE**”.

➤ The current system is no longer adding any  
value to your patient care priority.  
**And it's time to change**
